- an emotion which might be expressed in Shakespeare's words "Under it my genius is rebuked". This feeling may be described as awe, and the object which excites it as the Numinous. Now nothing is more certain than that man, from a very early period, began to believe that the universe was haunted by spirits.

miracles are not intrinsically improbable, then the existing evidence will be sufficient to convince us that quite a number of miracles have occurred. The result of our historical enquiries thus depends on the philosophical views which we have been holding before we even began to look at the evidence. This philosophical question must therefore come first.

The Screwtape Letters is a Christian apologetic novel by C. S. Lewis and dedicated to J. R. R. Tolkien. It is written in a satirical , epistolary style and while it is fictional in format, the plot and characters are used to address Christian theological issues, primarily those to do with temptation and resistance to it.
