culturally proficient practice supporting pdf

Culturally relevant or responsive teaching is a pedagogy grounded in teachers' displaying cultural competence: skill at teaching in a cross-cultural or multicultural setting. They enable each student to relate course content to his or her cultural context. While the term often deals specifically with instruction of African American students in the United States, it has been proven to be an ...

12 Ways to Support English Learners in the Mainstream

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

Teaching content to ELs: The challenge. In my work supporting general education and ESL/bilingual teachers who provide sheltered instruction for English learners (ELs), I have met many teachers like Mrs. Shell. While these teachers want to provide effective instruction for their ELs, often they don't see themselves as language teachers and so they aren't sure where to begin with their students.
