The expression "culture war" entered the vocabulary of United States politics with the publication of Culture Wars: The Struggle to Define America by James Davison Hunter in 1991. Hunter perceived a dramatic realignment and polarization that had transformed United States politics and culture, including the issues of abortion, federal and state gun laws, global warming, immigration, separation ...

A culture of life describes a way of life based upon the belief that human life at all stages from conception through natural death is sacred. As such, a culture of life opposes practices destructive to human life at any stage, including abortion, euthanasia, studies and medicines involving embryonic stem cells, and contraception. It also promotes policies that "lift up the human spirit with ...
