César Abraham Vallejo Mendoza (March 16, 1892 – April 15, 1938) was a Peruvian poet, writer, playwright, and journalist. Although he published only three books of poetry during his lifetime, he is considered one of the great poetic innovators of the 20th century in any language. He was always a step ahead of literary currents, and each of his books was distinct from the others, and, in its ...

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...
