Deliberative democracy or discursive democracy is a form of democracy in which deliberation is central to decision-making. It adopts elements of both consensus decision-making and majority rule. Deliberative democracy differs from traditional democratic theory in that authentic deliberation, not mere voting, is the primary source of legitimacy for the law.

Terminology. The meaning of the phrase secular humanism has evolved over time. The phrase has been used since at least the 1930s by Anglican priests, and in 1943, the then Archbishop of Canterbury, William Temple, was reported as warning that the "Christian tradition... was in danger of being undermined by a 'Secular Humanism' which hoped to retain Christian values without Christian faith."

Intelligence To be intelligent you first have to know what being Intelligent is. And you also have to know what being ignorant is. Ignorant is just another word for "Not knowing". But not knowing is not always obvious or clearly understood. That's because learning is not fully understood. The more you learn the more you should realize what you didn't know.
