

democracy under pressure 2002 pdf

A democracy is a political system, or a system of decision-making within an institution or organization or a country, in which all members have an equal share of power. Modern democracies are characterized by two capabilities that differentiate them fundamentally from earlier forms of government: the capacity to intervene in their own societies and the recognition of their sovereignty by an ...

History of democracy - Wikipedia

Social democracy is a political, social, and economic ideology that supports economic and social interventions to promote social justice within the framework of a liberal democratic polity and capitalist economy. The protocols and norms used to accomplish this involve a commitment to representative and participatory democracy; measures for income redistribution and regulation of the economy in ...

The Foundation for Democracy in Iran is the premier clearinghouse for news on human rights violations in Iran and on Iranian opposition activities. FDI works with a broad spectrum of pro freedom groups inside Iran. We believe that with the proper support, these groups could be successful in liberating Iran from the yoke of the Shiite clerical dictatorship.
