deterrence theory in the pdf

Deterrence is a theory from behavioral psychology about preventing or controlling actions or behavior through fear of punishment or retribution. This theory of criminology is shaping the criminal justice system of the United States and various other countries.. Deterrence can be divided into two separate categories. General deterrence manifests itself in policy whereby examples are made of ...

Nuclear strategy involves the development of doctrines and strategies for the production and use of nuclear weapons.. As a sub-branch of military strategy, nuclear strategy attempts to match nuclear weapons as means to political ends. In addition to the actual use of nuclear weapons whether in the battlefield or strategically, a large part of nuclear strategy involves their use as a bargaining ...

Nuclear strategy - Wikipedia

There are skeletons in the closet of nuclear deterrence. Advocates of nuclear deterrence say nuclear weapons are not only justified, their existence seems to have worked, and to be working, right now. David Barash avers that skepticism of nuclear deterrence is long overdue.
