Critical thinking is the objective analysis of facts to form a judgment. The subject is complex, and several different definitions exist, which generally include the rational, skeptical, unbiased analysis, or evaluation of factual evidence. Critical thinking is self-directed, self-disciplined, self-monitored, and self-corrective thinking. It presupposes assent to rigorous standards of ...

WHAT IS A CRITICAL THINKING ESSAY? Many college assignments require you to support a thesis. The concept of a critical thinking essay is that you start without an end in mind. You don't necessarily know how you feel about a subject or what you want to say about the subject – you allow the research and your own thinking to determine the outcome.
