Dungeons & Dragons is a structured yet open-ended role-playing game. It is normally played indoors with the participants seated around a tabletop. Typically, each player controls only a single character, which represents an individual in a fictional setting. When working together as a group, these player characters (PCs) are often described as a "party" of adventurers, with each member often ...

Dragonsfoot - First Edition AD&D

A dragon is a large, serpent-like legendary creature that appears in the folklore of many cultures around the world. Beliefs about dragons vary drastically by region, but dragons in western cultures since the High Middle Ages have often been depicted as winged, horned, four-legged, and capable of breathing fire. Dragons in eastern cultures are usually depicted as wingless, four-legged ...
