Collects Earth 2: World's End issues #1-11 I really, really enjoyed this story. When I picked this up, I had only read the first four volumes of "Worlds' Finest" and "Earth 2." I believe that reading each of the fifth volumes of those series would have helped me have a better understanding of some of the characters and events, but this ...

Earth 2: World's End Vol. 1 by Daniel H. Wilson

Earth 2 is an American science fiction television series which aired on NBC from November 6, 1994 to June 4, 1995. The show was canceled after one season of 21 episodes. It follows the journey and settlement of a small expeditionary group called the Eden Project, with the intent to journey to an Earth-like planet called G889 in an attempt to find a cure to an illness called "the syndrome".

Earth 2 (TV series) - Wikipedia

Earth 2 World's End is a tale of war between Earth 2 and the dark world Apokolips. Collecting issues 1-11 of the weekly series the format gives a few pages with each sub-plot in the overall arc. A little too fast paced in a trade paperback it doesn't do much in the way of explaining things, events just happen.

But from my perspective right now, looking to Earth 2: Society, it is the survivors on those ships, and how they are going to rebuild a new world. What I love looking at from my godlike viewpoint is this looks a little like World's End from a different perspective. It is people showing up to a planet and taking it over for their own.
