

economics and politics of pdf

History. Philosophy, Politics and Economics was established as a degree course at the University of Oxford in the 1920s, as a modern alternative to classics (known as "literae humaniores" or "greats" at Oxford) because it was thought as a more modern alternative for those entering the civil service. It was thus initially known as "modern greats".

The UNC-Duke PPE Program offers a minor at UNC and a certificate at Duke. Students pursuing either the minor or the certificate can take courses at the other school to meet the relevant requirements.

The Philosophy, Politics & Economics Program

Constitutional economics is a research program in economics and constitutionalism that has been described as explaining the choice "of alternative sets of legal-institutional-constitutional rules that constrain the choices and activities of economic and political agents". This extends beyond the definition of "the economic analysis of constitutional law" and is distinct from explaining the ...
