Japan - Bird Watching, Resources for Bird Watching by the

In Japan, owls bring luck and offer protection from suffering. The reason can be found in the Japanese name for owl, Fukuro *fukuro* (福烏, *fukuro* (æçŸ), which can be written in different sets of characters: One with the meaning of luck (ç!• fuku, luck; æ•¥ku, to come; éfŽ ro suffix used in boys' names), and the other as protection from hardship (ã,• fu, no, èç!ãŠ´ kurou suffering/hardship).

The Significance and Meaning of Owls in Japanese Culture

Most of introduced birds in Japan are escaped caged birds. About two thirds are from tropical regions, and show diet generalism as omnivores, granivores and frugivorous or herbivorous insectivores.

In the Middle East, China, and Japan, the Owl is considered as both a bad omen and an evil spirit. For Christians the Owl traditionally signifies the Devil, powers of evil, bad news, and destruction. Similarly, in the Old Testament the Owl is an unclean creature that stands alone as a figure of desolation.

What do owls signify in Japanese culture? - Quora

Because it is a list of "the best" Japanese books. Battle Royale is a classic and a great alternative to Hunger Games and Lord of the Flies. I was going to write how it should not be considered "the best" but as I am writing my thoughts I have started to see your point.

Best Japanese Books (668 books) - Goodreads

Birds of North America species accounts, only that for Burrowing Owl (published in 1993) is cited. One would think it useful in an owl monograph to consult prominent references for North American endemics such as those for the Flammulated (1994), Northern Saw-whet (1993), or Spotted (1995) owls.

Owls: A Guide to Owls of the World

Mortality and Longevity – Adult great horned owls may be killed or seriously injured when attacking prey. It is, for instance, common to find these owls riddled with porcupine quills or reeking of skunk scent. – About 50 percent of the young that leave the nest die within their first year from starvation, vehicle collisions, and various other causes.
