The theory of evolution proposes an explanation for how life in general and mankind in particular arose. It holds that that there was a long period in which natural processes gave rise to life and to the different life forms on earth.

Does Evolution Contradict Genesis? : Strange Notions

A noble savage is a literary stock character who embodies the concept of the indigene, outsider, wild human, an "other" who has not been "corrupted" by civilization, and therefore symbolizes humanity's innate goodness.. In English, the phrase first appeared in the 17th century in John Dryden's heroic play The Conquest of Granada (1672), wherein it was used in reference to newly created man.
