The quest for peace and justice. It is impossible to begin this lecture without again expressing my deep appreciation to the Nobel Committee of the Norwegian Parliament for bestowing upon me and the civil rights movement in the United States such a great honor.

Martin Luther King Jr. - Nobel lecture: the quest for

China is now engaged in a far-flung quest, hunting around the world for fuel, ores, water, and land for farming, and deploying whatever it needs in the economic, political, and military spheres to secure the resources it requires.

By All Means Necessary PDF - bookslibland.net

Lipid testing in asymptomatic individuals is considered to be screening regardless of the presence of other risk factors such as family history, tobacco use, etc. Once a diagnosis is established, one or several specific tests are usually adequate for monitoring the course of the disease.
