How to use this guide. The first line of each poem is written out as a title to the notes on that poem. The poems are set out with the numbers which they have in Johnson's edition, but "F" in the title of a poem is followed by the number of that poem in Franklin.. To access the notes on a poem, use the search facility on the pdf and type in the first line of the poem.

vii Introduction This is a practical manual of self-transformation. It takes the form of a working edition of the mythological poems of the ancient Norse Poetic Edda for modern "œpagans" who practice the magic and religion of the North. The poems of the Poetic Edda form the most complete and authentic body of surviving pre-Christian Germanic religious and magical lore.
