In computer programming, tracing garbage collection is a form of automatic memory management that consists of determining which objects should be deallocated ("garbage collected") by tracing which objects are reachable by a chain of references from certain "root" objects, and considering the rest as "garbage" and collecting them. Tracing garbage collection is the most common type of garbage ...

New Conservative is a fiscally and socially conservative political party in New Zealand. It was founded as the Conservative Party in August 2011 by businessman and political activist Colin Craig, who led the party from its foundation until his resignation in June 2015. Its current leader is Leighton Baker, since January 2017. It also has a supporting youth wing, Young Conservative.
