Destiny is an online-only multiplayer first-person shooter video game developed by Bungie and published by Activision. It was released worldwide on September 9, 2014, for the PlayStation 3, PlayStation 4, Xbox 360, and Xbox One consoles. Destiny marked Bungie's first new console franchise since the Halo series, and it was the first game in a ten-year agreement between Bungie and Activision.

In the 19th century, manifest destiny was a widely held belief in the United States that its settlers were destined to expand across North America. There are three basic themes to manifest destiny: The special virtues of the American people and their institutions; The mission of the United States to redeem and remake the west in the image of agrarian America
