Dominican was historically the name for the inhabitants of the Captaincy General of Santo Domingo, and was retained after the nation's independence. The majority of Dominicans reside in the Dominican Republic, although there is also a large Dominican diaspora, mainly in the United States and Spain. The population of the Dominican Republic in 2016 was estimated at 10.2 million by the National Bureau of Statistics of the Dominican Republic.

mostly unskilled. Only 17.3 percent of Dominicans in the United States have managerial, professional and technical occupations, about half the proportion for the overall United States. As a result, the average earnings of Dominican men and women are substantially lower than those of other workers in the nation.
