"The Soviets are our adversary. Our enemy is the Navy." In a perfect world, the various branches of a government (local, regional or central) should be able to cooperate and pull their resources together for the greater good. The world is not perfect. When it does not, one of the reasons usually is ...

Artwork by Mel Hunter (1959) As you probably already know, "strategy" refers to the science of successfully fighting an entire campaign or war, while "tactics" refers to the science of successfully fighting a single battle. Predictably some military strategy and tactics are general enough to apply to interplanetary combat, while others do not work at all in the space environment.
