

the global refugee crisis pdf

A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely (for more detail see legal definition). Such a person may be called an asylum seeker until granted refugee status by the contracting state or the UNHCR if they formally make a claim for asylum. The lead international agency coordinating refugee protection is ...

Crisis Group's early-warning Watch List identifies up to ten countries and regions at risk of conflict or escalation of violence. In these situations, early action, driven or supported by the EU and its member states, would generate stronger prospects for peace. It includes a global overview, regional summaries, and detailed analysis on select countries and conflicts.
