FOREWORD It is a matter of general knowledge that a Hindu not infrequently exclaims, when he finds anything supremely difficult to achieve or understand, "It is like Brahman." This Brahman, or knowledge of Brahman, the attainment of which is thought to be so hard, is acquired only gradually, the steps being those of religion, theology including scholasticism, mysticism and philosophy including science.

Higher education includes teaching, research, exacting applied work (e.g. in medical schools and dental schools), and social services activities of universities. Within the realm of teaching, it includes both the undergraduate level, and beyond that, graduate-level (or postgraduate level). The latter level of education is often referred to as graduate school, especially in North America.
