The timeline of historic inventions is a chronological list of particularly important or significant technological inventions and the people who created the inventions.. Note: Dates for inventions are often controversial. Inventions are often invented by several inventors around the same time, or may be invented in an impractical form many years before another inventor improves the invention ...

Timeline of historic inventions - Wikipedia

In the column headed "Purpose" the learner can indicate whether the book was read for fluency development or for normal reading. In the column headed "Interest", the learner can give the book a ranking from 1 to 5 in terms of how interesting the book was for them.
