national history. Personally, I wonder if teaching national history is a good idea. The content of national history textbooks seems to be to glorify the nation, to explain why "we" are better than anyone else, and to justify why we should impose our religion, our system of government, and our values on other people in other parts of the world.

history will deny this. Still it is a standing challenge to existing methods of historical instruction. If the study of history cannot be made truly progressive like the study of mathematics, science, and languages, then the historians assume a grave responsibility in adding their subject to the already overloaded curriculum.
