

the humanities culture continuity pdf

Humanities are academic disciplines that study aspects of human society and culture. In the Renaissance, the term contrasted with divinity and referred to what is now called classics, the main area of secular study in universities at the time. Today, the humanities are more frequently contrasted with natural, and sometimes social, sciences as well as professional training.

To Reclaim a Legacy A Report on the Humanities in Higher Education Walter Lippmann, 1941 One reason I want to make the gift (was) to remind young people that the liberal arts are still the traditional highway to great thinking and the organization of a life.

Why study the humanities?

Excerpted from a longer essay in progress. Adeline Koh and Roopika Risam recently started an open thread on DHPoco based around an observation by Martha Nell Smith about the politics of race and gender in the digital humanities. I find these topics distinctly connected to questions about language and the relationship of various humanities fields.

Postmodernism is a broad movement that developed in the mid- to late-20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...
